Product Name:
 Schlüter®-KERDI-LINE-G3

Product Datasheet No.
 -

Product Description
 Schlüter®-KERDI-LINE-G3 is specifically designed to simplify drainage from tiled showers and wet rooms - whether a new build or refurbishment project. Use in conjunction with the Schlüter®-KERDI system components and other Schlüter products to provide a fully waterproofed integrated system solution, as per ETAG 022 (watertight covering kits).

- Overall height = 78 mm.
- Horizontal outlet - 40 mm ID/43 mm OD solvent weld, easily converted to 50 mm.
- Pre-applied Schlüter®-KERDI waterproofing collar.
- 'Shutter' gate clamp secures O-ring, creating a tight seal.
- Air tightness as per Building Regulations.
- Intermediate/central or wall/perimeter installation positions.
- Choice of 8 channel lengths, 500 mm to 1200 mm in 100 mm increments.
- Central, offset or dual outlet options.
